CERTIFICATE OF PARTICIPATION

This is to certify that

Dr DEMETRIO FERRO

Participated as an invited expert in the activities of the PA-MAP Project during the educational program carried out in the academic year 2025/2026 at the M. Montessori Primary School of Barcelona. As part of the project's expert lecture series, he contributed with a lecture entitled "*How Does Our Brain Work? And Why Is It So Important?*", held on 27 March 2026 in Barcelona (Spain). The lecture contributed to the interdisciplinary educational activities of the PA-MAP Project, promoting scientific awareness and dialogue between schools, research institutions, and the wider community.

Issued by:

Ornella Salimbene

Principal Investigator & Coordinator of the PA-MAP Project

Director of the CASES Scientific Program

This programme has received co-funding from the European Union's Horizon 2020 research and innovation Maria Skłodowska-Curie Actions, under grant agreement number 945380.
